Whether you are a grower, supplier, consumer or industry supporter, GPGA welcomes your support of Georgia's Pecan industry through our membership. The GPGA needs your continued support for research, education, marketing and development for the pecan industry in 2027.

Voice of the Industry

GPGA is a founding member of the National Pecan Federation, which houses the Pecan Political Action Committee and allows pecans to lobby in Washington D.C. through one of the agricultural industry's top lobbying firms, The Redding Firm.

GPGA represents your interests at all agriculturally-focused legislative events, both state and national, in order to affect policy.

Education

The Pecan Grower magazine & *The Pecan Grower* eNewsletter are the official publications of GPGA. They provide both time-sensitive news along with the latest research and production management updates for anyone involved in the pecan industry.

GPGA's Annual Trade Show & Educational Conference provides an outlet for networking, industry updates, and new educational information, aiding growers in pesticide credits for application licensing, and more.
